# FLIP APPROACH

TO WORKING WITH  
FAMILIES OF CHILDREN  
WHO ARE DEAF WITH  
DISABILITIES

- Am I understanding what is most important here?

- Am I being flexible?
- Am I challenging my assumptions?
- Am I promoting flexibility?

- Is this my label or theirs?
- Am I saying more than I mean?
- Am I being clear in the context?

- Am I seeing the big picture?
- Am I stuck in my lane?
- Am I engaging the team?
