Media Program

Educational Media With High-Quality Captioning and Description

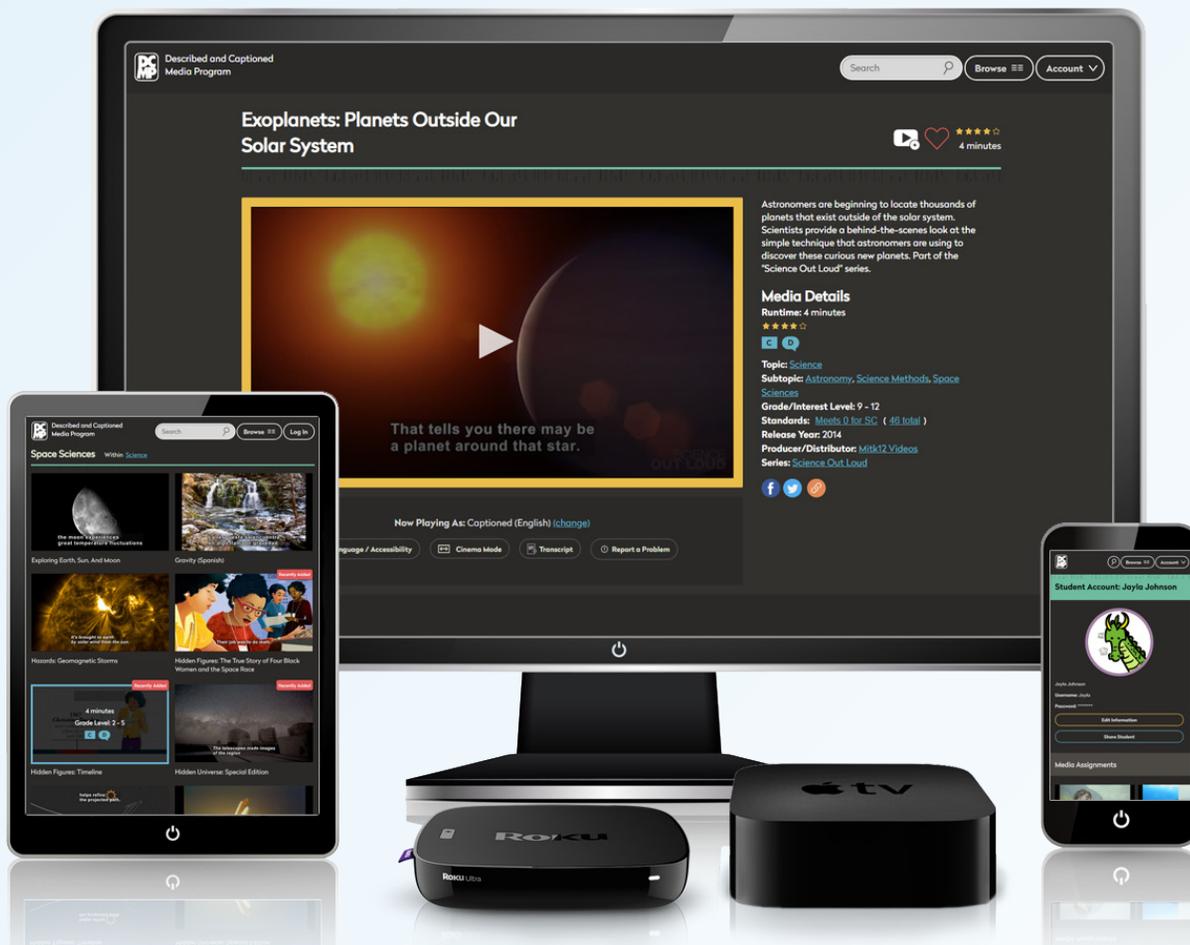

A Free Resource for Qualifying Educators and Families

The **Described and Captioned Media Program** offers thousands of standards-aligned educational videos with captions for students who are deaf and hard of hearing and audio description for students who are blind and visually impaired.

DCMP resources are **100% free** for families, educators, interpreters, and other professionals who have at least one early learner–Grade 12 student who is deaf, hard of hearing, blind, visually impaired, or deaf-blind.

- Discover thousands of accessible educational videos, including training for **parents, teachers, and interpreters**.
- **Stream instantly** on a PC, tablet, smartphone, Roku, and Apple TV, or borrow the DVD, with free shipping and free returns. iOS users can download our free app from the App Store.
- Create **Student Accounts** to promote independent learning, with control over which videos students can access.

*In the classroom, at home...
...and on the go!*

- Find hundreds of posts on education, accessibility, and advocacy in our **Learning Center**.
- Utilize **eLearning Resources** for professional development and earn CEUs from RID and ACVREP.
- Watch **Accessible Television** series such as *The Magic School Bus*, *BizKids*, *Cyberchase*, *Nature*, and *Bill Nye*.
